

Extended time on standardized tests

“Small” accommodations, such as extended time, a distraction-free room, or a short break can get you on a **level playing field for exams**. Have you have been running out of time on practice tests or performing much better in less stressful situations stress? If so, consider getting an evaluation.

Extended time or other accommodations can help you level the playing field for GMAT, MCAT, SAT, ACT, LSAT, GRE, and other standardized tests.

Extended time on the SAT, ACT, GMAT, LSAT, GRE, MCAT, and other standardized tests
